

The 2022 Marina Racing Season is ON!

Aloha Marina members, Off Season paddlers and our first time Novices!

We are so excited to FINALLY announce the start of our 2022 season!

Real racing just like you remembered from WAY back in 2019!

Please read through these announcements carefully!

This year we are going digital and paperless! YES! We have combined our SCORA Waiver, Marina Membership Agreement and Race Jersey selection into one online form.

PLEASE: Complete the waiver **BEFORE** you show up to first practice! **Do it now!** We will not be providing paper waivers. If you show up and you haven't signed – you don't get in a boat.

Link to pay dues is LIVE! [Pay Dues | Marina Outrigger](#)

For our new paddlers: Even if you are unsure about joining, you MUST also complete the Waiver and Agreement. If you decide not to join, all good! But we know you will LOVE it!

Refer to our website for valuable info on how to prepare for your first day!
